Our Purpose

Our annual cake show raises money to support CASA of Contra Costa County and the Calico House of Alameda Co.

Throughout the year our members make decorated birthday cakes for children within the foster care system. It is our hope that when the birthday child receives a gift of love on their special day, they will feel worthy and confident enough to stay strong beyond their foster care years.

Each December our club hosts the annual holiday party for children in the Contra Costa CASA program. Members are on hand to assist the children with assembly of their gingerbread houses.

Club members have shared their skills with JUVO, offering workshops to students in their summer programs.

Members have also demonstrated their cake decorating skills at the Alameda County Fair's Home Arts stage.

Our monthly general meetings are held on the second Thursday of the month. Please go to our calendar at www.cccsas.org for information on attending a meeting.
